

**ROOSEVELT ELEMENTARY EDUCATIONAL FOUNDATION (REEF)
DREAMS/NEEDS ASSESSEMENT FORM
(FOR REEF GRANT WRITING PURPOSES)**

REEF is comprised of parents, teachers, and Roosevelt administration, including Principal Ronzone. REEF wants to facilitate the cooperative application for educationally focused grant opportunities and therefore desires principal and teacher participation.

All grants will support essential educational opportunities and/or promote a dynamic school community. A grant can support a single classroom, a particular grade level, teacher group, or the entire school population. It can be in any amount, \$500 to \$10,000 if the goals support the requested amount. If our research identifies a funding source that supports your dream/need, we will contact you for more details related to the description you provide below. We have provided a “made up” project, as an example of how to complete the form.
